Australian Government charged with Treason

High ranking members of the Australian Government including Kevin Rudd, Julia Gillard and Tony Abbott are facing charges of treason in the Australian Federal Court.

The prosecution was brought against Rudd and Abbott as well as the Australian Electoral Commission by Brian Shaw after the Oath of Allegiance and reference to the British Crown were removed from Australian laws.

"Mr Kevin Rudd did have actual knowledge of the fact that the Crown and Monarch had been removed without any referendum whatsoever and that Julia Gillard and others had been charged [with treason]."

"The defendant (John Howard) within the Commonwealth of Australia during the period 1st January 2004 up to and inclusive of the present date did commit the offence of Common Law Treason..."

Mr Shaw alleges senior Australian Politicians and Judges committed or concealed treason, particularly related to the removal of reference to the Monarch in Western Australia.

He also alleges that all birth certificates in Australia are turned into Bonds which are traded on the global stock market, a form of Human Trafficking according to the affidavit.

Kenny, Gilmore, Cowen, and others of their ilk won't sleep so well in their beds after reading this revelation from New Zealand. Ireland, like Australia (and most countries in the world), has had its sovereignty secretly put aside and is now being run by a corporation masquerading as a government.

This "IRELAND" corporation is registered with the Securities and Exchange Commission (SEC) in Washington DC and collects money from the Irish people **(taxes, duties, fines, fees, etc.)** which goes into the pockets of corporate IRELAND'S anonymous shareholders, the International Banksters.

Isn't it time now for all decent, long-suffering Irish men and women to take their lead from the courageous Australian litigator, Brian Shaw, and actively bring their politicians to task for their crimes of action & inaction, along with banksters, civil servants, judges, and anyone else who has conspired to deceive and defraud the Irish people.
